

May 12, 2008

Dear Parents/Guardians:

Below is a revised final exam schedule for the end of this school year. We will be having three (3) half days for exams instead of two (2). Next year, the 2008/09 Middle School Semester Exam Schedules for semesters one and two will also be built on this revised schedule. The revised exam schedule affords students the following:

- Time in which to complete the exams and to go back and check one's work prior to turning them in.
- Time to prepare for two exams over the course of three days as opposed to cramming for three exams over the course of two days.
- Eighth grade mathematics students an equitable amount of time to complete the common semester math exams in Pre-Algebra, Algebra I, and Algebra I Honors.
- Time to review for upcoming exams if they finish early and have checked their work and time remains in the exam period.

Just a reminder that we will serve breakfast on all exams days but we will **NOT** be serving lunch on any of the exam days. Also, our students are not to go to the elementary schools after our school day is over. This is a disruption to the elementary students. Please plan accordingly and plan for after school care for your middle school student.

If you have any questions, do not hesitate to contact Jan Coshow, Office Manager, at 799-0920 ext. 4100. Thank you in advance for your assistance with making our transition to this new schedule a smooth one.

Your Partner in Education,

Dr. Beth Howe
